MAGGIE

good girls do

Hey, it's Lindsey. High school senior Maggie says she's known as a bad girl. I think she's an *awesome* girl.

Maggie, you totally look like a young Lindsay Lohan!
Thanks! I love her early movies.
You're not going to go blonde like her, are you?
Never! I'm proud to be a redhead. We're special.
Why did you decide to pose nude?
Because I love my body and I love sex, and I don't care what people at school say about me.
What do they say?
That I'm a ho. To me, girls who dress all hoochie and *tease* guys are the real hos. I would never lead a guy on.
So, you dress hoochie and *act* hoochie?
I dress *sexy*—like, in tight tees. My boobs look nice in them.
They look nice naked, too! Do you like when guys play with them?
Yes. They're very sensitive, especially my nipples.
Do you like to give BJs?
I love to. It really feels like I'm doing something, 'cause guys get so *hard*.
Do you swallow?
According to the boys' bathroom wall I do! But anyway, it's true.
Does it bother you that boys write dirty stuff about you?
It just shows me that they're immature.
Have you been with any older guys?
Just one, but I'll never forget him. He was my first in the butt. Omigod, it was so incredible. He licked me down there first, and I almost died.
Do you have a lot of butt sex?
No, it was just the one time. I don't want to waste my butt on the boys in my school.
Maybe you'll meet another older guy.
I hope so—I'm super horny! But I can wait. It's worth it.★

DECEMBER 2011 PANTY CONTEST WINNER!

G.F., you don't have to miss Odette's panties—they're traveling to you right now. Congratulations!

Dear Odette,
You say you are into art—yet you *are* art! You say you are into poetry, yet your photos are poetry to my eyes. You say posing is your aphrodisiac, and yet your poses are my aphrodisiac! You say you like travel, so it should be natural for you to get turned on by your panties traveling to me. You won't miss them since you don't always wear panties, but I'll miss them if you don't send them to me!

You want a man who can cook, yet you have turned up the heat in me! You say your best assets are your butt and legs. I agree they are hot, but what a sweet face! And that's the part we see every day, and in it the mind of a beautiful future teacher.

Those panties covered with little shoes tell me you are a woman who knows what she needs! From behind is where I would work for you—after removing your panties, of course! From behind is where I would finally have to release on your perfect arse, when I would then use it as massage cream to finish relaxing you… Oh, man, I think I need those panties. Thanks for the great layout!!

Hey, it's Lindsey. Back in our November 2011 issue, beautiful Bonnie had a dilemma: Her boyfriend wouldn't lick her pussy anymore 'cause of her bush. Bonnie loves cunnilingus, but she also loves her coochie fur. So she asked for advice from experts—you guys! Well, the results are in: Three readers said Bonnie might want to compromise by trimming. And the rest? Following is just a teeny-tiny sample!

Dear Lindsey,
I am writing about Bonnie and her dilemma. Bonnie, whatever you do, leave your hot, sexy bush and don't ever get rid of it for a guy. That fool that refuses you oral because of it is crazy. I love going down on a girl with a bush—the feeling is awesome. If he won't eat you out, come visit me just north of Toronto. I will eat that sexy pussy night and day.

R.S.
Barrie, Ontario

Dear Bonnie,
Wow, you are the perfect package. Your boyfriend is a little prick for not giving you the pleasure that you desire. If I was lucky enough to be him, I would not grow tired of eating that box lunch every day. Don't change anything—you're beautiful.

M.W.
Michigan

Dear Bonnie,
Keep the fur you have waited so many years to grow in. I love to eat pussy with fur. It holds in the aroma of the pussy while I am eating and makes it taste even better. Ask your boyfriend to shave himself clean so you won't get fur in your mouth. See what he says.

Michael
California

Dear BARELY LEGAL,
I want to thank you for having the beautiful Bonnie back for a third time. I hope you'll have her again and again.

What in the world can be wrong with her boyfriend? I myself like a hairless pussy, but I sure wouldn't be bent out of shape if my girl grew a bush. Bonnie never fails to bone me up,

and I just want more and more. What a crybaby she has for a beau. Why can't people just enjoy each other without making demands on one another?

P.N.
New York

Bonnie,
You are beautiful the way you are. Keep the bush. I would love to eat that sweet, beautiful pussy anytime you want. You keep it trimmed so perfect.

Ed
West Virginia

Dear Bonnie,
I must say that, bush or no bush, you are definitely good enough to eat. If your boyfriend really knew how to properly eat pussy, he wouldn't have to worry about pubes in his mouth because he wouldn't get them in his mouth. Also, as far as I am concerned, your puss and your ass are mouthwatering and erection-causing. Tell your boyfriend to man up, or someone like me will take you from him.

J.M.O.D.
by Internet

Dear Bonnie,
I love pussy. Hairy or not, it don't matter to me. I eat pussy either way.

You have to be true to yourself to be happy. You're a sexy young woman. Your boyfriend is not the only fish in the sea. If you were mine, I would treat you like a queen, like you should be.

Arnold
Nebraska

Dear Bonnie,
I'm a total romantic, but you did ask. You are gorgeous, and hot. Your pussy is equally sexy. I would eat it, while always not quite believing I was blessed with the chance to do so. Your boyfriend is the biggest fool. Not only for not appreciating you and your pussy, but for thinking he's the only choice you have.

Rev. Max Burg
by Internet

You guys, I don't know how to thank you! I get to keep my bush! You're right, my boyfriend is not my only choice. I mean, my EX-boyfriend. That's right, I broke up with him. I'm going to wait for the right guy to come along—someone like you! Thank you! Love you!

—Bonnie

Dear Lindsey,
You are beautiful just the way you are—don't change a thing.

I would love to see pics of Stacy the intern. Have you ever shown her? If so, what issues? If not, can we see what she looks like?

My main question is why your magazine (or any other adult mag, for that matter) doesn't show the pussy hole in your pics. That is, after all, where the penis goes in, and it would be a huge turn-on to see! You show them spreading their lips but never show the hole itself. Is there a reason for this? I have a bunch of friends who would like to see this also. Please give me a serious answer.

Otherwise, you have the best girls out there, so keep it up, and I will, too. ;)

F.H.
by Internet

F.H., we do sometimes show the pussy hole. Look at the close-up of Bonnie's cooch on this very page! Also check out Hayden Hawkens in our January issue and Rylee and Kelly Klass in February. Every girl can't show her p-hole, but I promise there will be more to come. ;)

To answer your other question, Stacy has shown off her awesome bod in two issues: October 2009 and October 2010. You can order back issues by sending a check or money order for $12.00 (per issue) to: LFP Publishing Group, LLC, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211; Attention: Back Issues Dept.

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, I totally have spring fever. I'm feeling *sooo* lazy.

Don't get me wrong—I worked super hard on this issue. For instance, I'm way into puffy nips lately, so I went looking for the puffiest nips I could find. Well, I found them on *two* girls—Jessie and Maggie! I tracked down Yuri again all the way over in Tokyo, Japan—and this time I got her to fork over her panties! Not to mention, I supervised that close-up of Heather Starlet on page 39. Wait until you see it!

But now that I'm done with April 2012? I just want to laze around and flip through the pages and *sliiide* my fingers into my panties and *slooowly* rub my pussy until I come in long, luxurious waves all over my body, then curl up for a nice, naked nap.

What about you guys? Do you have spring fever, too? ;)

ARIANA FOX

crazy cute

Hola! It's Stacy the intern. I just know Latin hottie Ariana is going to be a big star—I can feel it in my coochie!

You're so cute, Ariana! I love your pretty eyes.
Thanks! I like my small boobs. They're not going to sag that much when I'm older.
Do you ever flash them?
Sometimes I pull them out while I'm riding in the car.
Do you masturbate a lot?
Every day. Sometimes multiple times a day.
What's your favorite method?
Rubbing my clit, no toys—most of the time. Watching porn.
What kind of guys do you like?
Tall, white/Caucasian, dark hair, brown eyes, athletic build, confident.
Do you like girls, please say yes?
LOL! Yes, I like small, petite women. Not too thick.
Do you like oral sex?
Yes. I love knowing that I am making someone feel amazing with just my mouth.
Do you spit, or do you swallow?
I love cum. Most of the time I prefer to swallow it, but sometimes I spit it back out and play with it.
What's your favorite position?
I have so many! Reverse cowgirl, missionary, spoon.
How do you like to be fucked?
Usually hard. Lots of hair pulling, spanking, some choking—not too hard.
What's the best way for you to come?
Me on top, sucking on my tits, and a finger in my ass. I'll come in seconds!
Do you like anal sex?
I haven't had much experience with anal sex, but I do enjoy it. I have to be in a certain mood. Getting it in hurts, but once it's in, it feels so good.
Where do you like a guy to come?
I love cum pretty much anywhere besides my eyes and my hair. I love it on the small of my back, my tummy, my tits, my face, and in my mouth.
What would be your dream date?
Dinner and sex in a nice hotel suite.
What's the absolute best sex you've ever had?
I've had too much good sex to choose the best time! I wish everybody could love their job like I do.★

HEATHER STARLET

still shining

Hey, it's Lindsey. You guys, take a good look at former Teen Queen of the Month/current porn superstar Heather—this is her farewell BARELY LEGAL appearance. *Sniff.*

Heather, you're so grown-up and glamorous! I feel kind of intimidated by you.
What?! It's just makeup. I'm still the same person I've always been—just a horny girl that loves her job and friends. :)
What do you love most about your job?
That I get to have sex all day! I also truly love my fans.
What are your favorite kinds of scenes to shoot?
I love shower scenes. I like being wet inside and out.
Kind of like now?
For sure! Taking sexy pics still gets my pussy going.
I notice that you're shooting mostly girl/girl scenes these days.
Yeah, I love girls. I mean, I love men, too, but sometimes I just want some pussy in my mouth.
Are you good at licking pussy?
I've got some special moves—and a vibrating tongue ring. ;)
Are you good at sucking cock, too?
Yeah. I love doing it, and guys know it. They can tell if a girl is just going through the motions.
Since this is your goodbye to BARELY LEGAL, let's take a trip down memory lane.

I hope I don't start crying...

I'll comfort you. Okay, your first appearance was in July 2009, when you were 18 and just out of high school. I'm going to pick a quote from your interview and see if it's still true. You said, "I never use a vibrator. That seems like cheating to me."

Omigod, *so* not true. I use vibrators all the time now. I got an awesome one last Christmas from a fan.

Then you came back in October 2009, when you were 19 and trying to break into movies. You said, "I think I'm an actual nympho."

Definitely still true! If anything, my sex drive is even crazier now. I don't know *what's* going to happen when I reach my sexual peak. Everybody better watch out in 20 years!

Then came your third appearance, in July 2011, at age 20. I have a surprise—a quote that didn't make it into the published interview. You said your favorite fantasy was: "My guy showing me a li'l hot pussy he's thrusting into, makes me watch then lick her cum, and he rails me next!"

Well, that hasn't happened yet, but I still think about it during vibrator time. ;)

Now we come to today. You're 21 and a superstar. You've made *over 90* movies. Do you think you'll reach 100?

I hope I reach *200*. I never want this ride to end! ★

NATALY

butter me up

Stacy the intern here. High school senior Nataly didn't think she was cute enough for BARELY LEGAL. What are they *teaching* her in that school?

Hey, Nataly! Did you like posing nude?
I loved it. But I still can't believe I actually did it! I mean, I'm usually really shy.
So, how did you get up the nerve?
Just, Lindsey said my boobs were really cute. I always thought they were too small, but Lindsey said I was crazy and that readers would love them. I got kind of excited to show them off.
You *look* excited. In fact, you don't look shy in your photos at all.
I didn't feel shy once I started. I felt like I was in a dream, and all of a sudden I was sexy and glamorous.
Are you shy when it comes to guys?
Yes, they definitely have to approach me. I could never just walk up to a guy and tell him I liked him.
What's the best way for a guy to approach you?
Compliment me. Tell me I have nice eyes or a nice smile.
Are you shy in bed?
At first, but if I can tell the guy is really into me, I lose my shyness.
How can you tell if the guy is really into you?
By how big and hard his penis gets!
Do you like to give BJs?
Yes, that's the best way to show guys that you like them. They don't care about compliments. LOL!
Is there anything you won't do in bed?
Well, I used to be nervous about trying butt sex, but then I found the right guy.
What made him the right guy?
He told me my ass was perfect and should be worshiped.
And did he?
Yes, he actually kissed and licked me down there! How could I say no after that?
Wow, flattery really does get people everywhere!
Maybe not with every girl, but definitely with me! ★

precious metal

a BARELY LEGAL confession

by juliana sanda

Hi, everybody! I am so excited to be here! So, *ummm*...I'm supposed to tell you about myself. My name is Juliana and I'm a high school senior from Las Cruces, New Mexico. I'm kind of a dork—LOL! I love books and *National Geographic* documentaries. I'm pretty shy. But I can surprise people with my wild side. Like by modeling for BARELY LEGAL—OMG! I was like, No way I'll get in with this brace face. But here I am—wow and yay!

I've had confidence issues in the past. When the orthodontist gave me metal mouth at age 18, I felt fugly. People my age can be really lame. Guys especially.

Like Gabe. He looks like James Franco. He has that, like, bad-boy thing. I always thought he was way too cool for me. Just looking at him made my face turn bright red—so embarrassing!

We had chemistry class together last semester. You can imagine how I died when we were assigned as lab partners. I was paralyzed. But he actually seemed pretty sweet.

"Dude," he grinned. "The dumbest guy in class got paired up with the smartest girl. Sweet!"

I turned beet red, but I laughed. He put me at ease. A week into being lab partners I was like, I think he actually likes me as a friend. Then it turned out there was more.

One night, we met at the library.

"This is not my scene," he said. "You must be something special to lure me to the library on a Friday night."

I got chills. "Well, you want a good grade, right?"

Gabe shrugged. "I never gave a crap about that till you came along."

I blushed. We studied. Or tried. I balanced equations while he watched. He leaned in.

"You smell good," he said, his nose nuzzling my neck. My heart about exploded.

"We've studied enough," he said. "Let's go to Mesilla Bosque."

Mesilla Bosque is a state park, like, 30 minutes out of town. I only had a couple of hours till curfew. But I wanted to be with Gabe.

"Sure," I said. "I just have to be home by 11."

We stretched out by the river and watched the sky. I could see galaxies. Gabe took my hand. He kissed me.

"You're so pretty," he mumbled, his hands grazing my boobs.

My clit puffed up. We kissed harder. In the heat of passion my braces caught his lip. I pulled away, horrified.

"Omigod, I am so sorry!" I thought I would die.

"Don't worry," he said. "You kiss great."

He slid his hand up my skirt and massaged my thighs. He slipped his fingers under my panties.

"You're so wet," he whispered. I moved against his hand. His middle finger slid inside. "You feel so good. Will you put your mouth on me?"

I perched on my knees while he unzipped his pants.

photography by steven andres

"Pull it out," he said.

I reached inside his jeans. His cock was thick and stiff. I squeezed it, circling the slippery tip with my thumb. I was a little nervous—I'm not super experienced with BJs—but I knew I could do a good job as long as my braces stayed out of the way. :D

I wrapped my hand around his peen, pressed my lips against his tip, and poked the hole with my tongue. I could already taste his pre-cum. I slid my tongue down and jerked his cock while I licked his balls.

"Fuck, yeah," he panted. "Suck it."

I opened wide and dove down till his head nudged my tonsils. I closed my lips over his cock and bobbed up and down, gripping the base. Slobber and pre-cum oozed down his dick and over my hand.

"Yeah," he moaned. "Hold up…let me rub it between your tits."

I had never done that. I laid down on my back and pulled up my shirt. He rubbed his dick over my nipples. I felt dirty and excited.

"Squeeze them together," he said.

I did. He pushed his boner between my cleavage.

"Lift your chin up. Stick your tongue out."

His tip hit my tongue with every thrust. He hammered harder, faster.

"*Auuughk*," he wailed. "Open your mouth wide so I can come in it!"

He jammed his dick in. I closed my lips around it.

"*Fuuuckk!*"

Jizz filled my mouth. It was hot and earthy and bitter. I liked swallowing it.

Gabe fell onto his back, panting.

"That," he gasped, "was the jam."

He drove me back to my car. I wondered if I was in love.

Things were great the next week. He'd hold my hand under the table in class, leave love notes in my locker. I met him every afternoon in his car and gave him head.

Then came the final lab and exam. I led the experiment. I let him see all of my answers while we took the test. We got an A.

"See you in the parking lot at three?" I said after the exam.

"Oh, shit—I have to drive my little brother to softball. I'll see you tomorrow, though."

And that was it.

I was inconsolable. Not only had he used me to suck his dick, he'd used me to ace chem! As if that wasn't bad enough, I found a note in my locker a few days after Gabe blew me off: JULIANA IS A CHEESE GRATER.

I showed it to my BFF Hannah.

"Asshole," she hissed.

"What does it mean?"

She didn't want to tell me. I begged her until she did.

"A cheese grater is a girl with braces who shreds a dude's dick when she gives him head."

AGE: 18
HEIGHT: 5-4
WEIGHT: 120 POUNDS
MEASUREMENTS: 34B-27-35
HOMETOWN: LAS CRUCES, N.M.

I was speechless.

"He's been spreading rumors," Hannah said.

I collapsed in tears. "I so did not grate him!"

I wanted to crawl into a hole and die. I had never been so humiliated. Hannah tried to cheer me up.

"You cannot let a loser asshole like him ruin your entire existence," she said.

"I thought he cared about me! Why would he have come in my mouth if I'd grated his cheese?"

"Don't let that jerkoff break your spirit," she said. "There's a party Friday night at my boss's. Come with."

Hannah was right: I shouldn't wallow. Besides, the party would be a bunch of waiters and cooks from the steakhouse where Hannah hostesses. They're in their twenties at least. No high school nonsense.

So I went. I was stiff at first, but people were nice. It felt good to be somewhere that wasn't high school.

Then I saw Darren. He was tall and lean with big brown eyes. There was something about him. I elbowed Hannah.

"Who's he?"

"Darren is our head chef. World's sweetest man. He's 28. You should meet him."

I was like, 28? But then, guys my age are douches. I needed an older man.

I spent the next three hours perched on a lounge chair, talking with Darren. We shared our lives. Darren told me he was a chef because he wanted to do his grandpa proud. I told him I hoped I was smart enough to become a doctor. I told him how lame it was to be stuck in high school.

"High school is ridiculous," he said.

He understood! I melted. I told him everything that had happened.

"And then," I gulped, "he told the entire school I was a cheese grater!"

It could have been such a humiliating moment. But Darren pulled me into his arms and buried his face in my hair.

"That guy is a shit." He slid his hand under my skirt and between my legs. "Let me do something for you."

He led me to what I guess was Hannah's boss's den. He sat me in an easy chair. My legs fell open. He grabbed my knees and kissed my thighs, dragging his tongue up and down my skin. My clit trembled.

"I love the smell of your pussy," he said, inhaling my crotch. He tugged my panties with his teeth. His breath was hot.

"You want me to lick it?" he said.

"Yeah."

He clamped down. My lips were in his mouth, his tongue in my hole. It darted out to lick my clit, plunged back in again. I pushed my pussy into his mouth. He moaned and sucked.

"Your pussy's so sweet." He slid his tongue between my lips. "I could eat it all day." He licked and licked. He wouldn't stop.

"*Uh-huh*." My knees were weak. He was about to make me come.

"I want you to come, too," I said.

"Don't worry," he mumbled around my pussy.

I relaxed. I was dripping all down my thighs and into the recliner. He sucked my pussy. His arm shook—he was jerking his cock.

"I'm coming," I moaned. My pussy, like, *exploded*. "Omigod, omigod, *yeahhh!*"

"FUCK!" Darren wailed. He stood up and shot a giant wad of jizz all over my tits. I rubbed his cum into my skin.

"I love it," I panted.

It was an awesome night. Darren asked for my number and told me he couldn't wait to see me again. I was wary after what a dick Gabe had been, but Darren called me the very next day.

"I can't stop thinking about you," he said. "I want to have you over to my place and cook you dinner. Please tell me when."

I went to his apartment the following Saturday. I was excited, especially since he's an actual chef. He had his kitchen table laid out with wine and cloth napkins.

"Spaghetti puttanesca," he said.

We ate. Omigod, it was delicious. I drank some wine, which I never do. It made me dreamy. Darren suggested we go to bed.

"As long as I get home by 11."

He took me to his room and laid me on my back. He raked his hands up and down my body. His forehead was beaded with sweat.

"Can I take your clothes off?"

"Yeah."

He unbuttoned my pants, pulled my blouse over my head.

"You're beautiful," he said.

My heart skipped. I hoped he meant it.

"You aren't going to make fun of me later? Tell people my braces wrecked your dick?"

He laughed. "What a punk-ass bitch that kid is."

I relaxed into the mattress and spread my legs. Darren slapped his hard cock against my clit. I don't know if it was the wine or what, but I felt so totally, like, uninhibited.

"Stick it in me," I moaned, spreading my pussy open. "Fuck me with it."

He pushed my legs over my head and slid his dick in. I loved the way it felt, the way he pounded. His nuts slapped my ass.

"Fuck me from behind," I panted.

He flipped me onto my belly. I stuck my ass in the air. He spread my pussy and slid his cock in. My tits bounced with every thrust.

"You can fuck my ass," I huffed. "If you want."

WTF was that? He had me crazy. I never thought I'd want it in the butt, yet all of a sudden I was fiending for it.

Darren spread my cheeks and rubbed my toot with his thumb.

"Go ahead," I said.

He stuck the tip in. I held my breath. Inch by inch, he sank into me. He pumped in and out, firm but gentle. My entire body welled up. I sweated. My pussy was dripping wet.

"Omigod," I wheezed. "I never knew it was possible to come in the ass."

"Yeah," Darren panted. "You can."

I grit my teeth and dug my fingers into the sheets. I was ready to bust.

"Here I come, here I come, *yeaaaeeesss!*"

You guys, I exploded. I've never had an orgasm like that.

Darren came inside me. All up in my butt. I felt so full, so complete. I never would have imagined that I would love something like that.

"You're beautiful," he gasped. "You're perfect."

It was amazing, you guys, and I think I might love him. I just hope he will stay sweet to me. I don't want my heart to hurt again. ★

JESSIE ROGERS

TEEN QUEEN OF THE MONTH

photography by matti klatt

Hey, it's Lindsey. You guys, I'm so excited! Beautiful Jessie is our first-ever Teen Queen from Brazil! She speaks perfect English, but I asked her to send you a special message in Portuguese. Here it is: "*Vocês fazem minha xoxota molhada*." *

About me: *Hmm*... Well, I'm a morning person. I *hate* cold weather. I eat way too much. I love steak and sushi—sometimes at the same time. I'm pretty simple!
Reason for posing nude: I just started making movies, and I thought it would be fun to pose, too—to have some hot pictures to save.
Best physical feature: My Brazilian booty.
Biggest turn-on: Lick my butthole. It turns on my whole body, not just my ass.
Biggest turn-off: Cocky or conceited people.
Finish this sentence: "I believe..." ...that girls love sex just as much as guys do, if not more.
Best sex talent: I know how to give someone a good fucking.
Fave sex position: I like to ride reverse cowgirl really hard so the guy has to grab my titties from behind and hang on for dear life!
Makes me sad: When I get sore from too much fucking and have to take a break for a day or two.
Makes me happy: Sucking cock. But I just found out something that makes me a little sad. Someone told me guys don't really love it if a girl deep-throats them. Like, they think the idea is cool, but it doesn't feel as good as we girls think. I'd really like to know for sure if this is true.
Spit or swallow: Of course I swallow.
To bi or not to bi: I've always liked girls, even before making movies with them. I LOVE eating pussy.
Anal, yay or nay: YAY. Anal is the dirtiest way to fuck. I love it.
Words of wisdom: If you're not giving it to your man, he will go elsewhere. There's no point of being a prude.
Ultimate goal: I like my job very much and want to do it for a long time!★

YURI

all-american girl

Hey, it's Stacy the intern again. I'm sure you guys remember Yuri from our June 2011 issue. She's going to college in Tokyo now—and it doesn't sound that different from American college!

***Konnichiwa*, Yuri! You look even prettier than you did before.**
Thank you. I am having lots of sex.
Does sex make girls pretty?
Of course! Sex makes a person happy, healthy, and relaxed. The good feelings show in the face.
You *are* kind of glowing. But I thought you were already having lots of sex last year.
I was, but there is a big difference—now I love when men lick my pussy.
***Ah!* I knew you'd come around eventually.**
Yes, I come a lot, very hard. I want my pussy to be licked all the time.
What changed from before?
Before, I was with boys. They are so clumsy. Older men are skilled.
Where are you meeting these older men?
At school. They are professors.
Won't you and your professors get in trouble?
No. They are not in my department.
I think it's still against the rules.
I don't care.
Wow! You're a *lot* less reserved than you used to be.
Good. I want to be wild.
Are you still doing it in the butt?
Yes. Anal sex is still my favorite.
Can you come from anal?
No. They take care of me first, before we fuck.
By licking your pussy?
And my asshole. Both, until I'm screaming and want them in my ass so bad.
Yuri, I think you're now actually wilder than some American girls!
I will never be as wild as American girls. But, I will try.★

ELLA MILANO

smart cookie

It's me, Stacy the intern. Porn starlet/college coed Ella Milano calls herself a "typical Cali girl," but I don't think she's a typical anything!

Hey, Ella! So, you're a porn star *and* you're going to college?
Yes, I'm a poli sci major. I want to be an entertainment lawyer someday.
Why did you decide to do porn?
It's fun! I have lots of sex and meet fun people.
Do you ever hang out with other porn girls?
Of course! I just went snowboarding with Ash Hollywood.
You snowboard? That's so cool!
I *love* snowboarding. It's an unbelievable rush.
A bigger rush than sex?
Not quite. LOL!
What do you do for fun besides snowboard?
I cook, I take my dogs to the beach, I read. I love cuddling up with a warm blanket and a good book.
What's the best book you've read recently?
Jane Eyre.
What's your best dish?
Homemade strawberry danishes.
***Yum!* What did you do last night?**
Ate sushi while taking a bath and watching TV.
What's your most embarrassing habit?
I check my horoscope every day.
What's your sign?
Capricorn, which I love. My favorite description is "Capricorn has a wild side that only a select few ever get to see."
Everybody sees your wild side in your movies!
I'm a rogue Capricorn.
Do you prefer doing scenes with guys, or with girls?
Actually, I *only* do scenes with girls now. I love guys in real life, but I like to keep that separate.
How can a guy get with you?
I respond well to cheesy compliments. I think they're adorable.
What do you look for in a man?
Someone to kiss, hug, touch, give each other orgasms, and celebrate life with.
Have you ever been in love?
I love the three Fs—friends, family, and fans.
Is there anything you want to say to your fans before we go?
Wish me luck on my finals!★

TWEETY VALENTINE

I'll be your princess

Hey, it's Lindsey. When we first met cutie-pie Tweety back in June 2010, she said her ultimate goal was "to be an adult-film star." Looks like she made it!

Welcome back, Tweety!
Thanks for having me. It's always so fun posing for you guys.
Are you doing a lot of modeling?
Not as much as I used to. I'm too busy making movies.
Are you having fun?
I absolutely love it—except for one thing.
What's that?
When certain guys go online after they watch my movies and say things that aren't very nice.
Like what things?
Well, mainly about the fact that I don't swallow.
Do you not like to swallow?
No, it's just that—I had an upsetting experience the first time I did it. It's been so hard to get over. Even if a guy just comes in my face and it drips close to my mouth, it brings back bad memories.
That's terrible! You can never swallow for the rest of your life?
No, I will someday. I'm trying. Like, I'm starting to have cum in my face sometimes. It's getting easier.
So, it's not like you *hate* jizz.
No! I *love* jizz when it's *on* me.
Do you have a favorite spot?
My ass. I love when a guy fucks me really hard from behind then just, like, explodes all over my butt and I feel the hot cum dripping between my cheeks.
If you like when guys come on you, why even try to swallow?
Well, partly because I hate missing out on anything—but mostly it's for my fans.
You have fans who ask you to swallow?
No, I have fans that come to my rescue when certain guys are being mean online. They're always like, Tweety, don't do anything that makes you uncomfortable. Stand your ground!
That's the sweetest thing I ever heard.
I know! They're my knights in shining armor! So I hope I can swallow someday—for them. If they're reading this—love you guys! ★

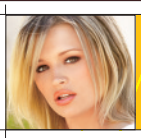
BARELY LEGAL BOX OFFICE



We girls at BARELY LEGAL think the best person to judge the realness and hotness of a legal-teen video is a real, hot legal teen. Here to review our latest release is this month's guest critic, Heather Starlet.

Madelyn, use your inside voice.

Don't hurt yourself, Ally!

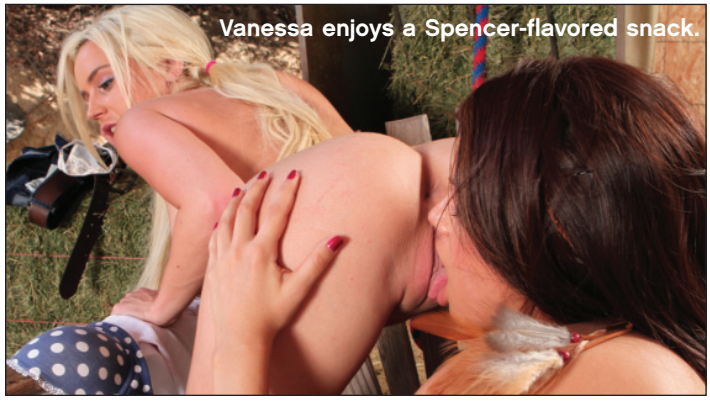
BARELY LEGAL #123

★★★★

HUSTLER Video. Director: Otto Bauer. Starring: Erica Fontes, Madelyn Monroe, Ally Kay, Vanessa Veracruz, Spencer Scott, Sensi Pearl, Derrick Pierce, Alex Gonz, Billy Glide, and Otto Bauer.

You guys, I was *so* excited when Lindsey gave me this assignment, because I *love* Sensi Pearl. If you saw her in the March 2012 issue, then you know she is 1. insanely cute and 2. insanely flexible. Well, wait until you see her in action! She does the splits while Otto Bauer bones her doggy-style, *and* she gets fucked from the side while balanced on one knee with her other leg up in the air. For you and me, this is like extreme boot-camp yoga, but for Sensi it's just a relaxing way to have orgasms. She even sucks cock while standing and bending at the waist! Amazing! But let's not forget the other girls. Erica Fontes looks pretty bendy herself when Derrick Pierce lifts her 14-pound body in the air and fucks her like a rag doll. Girl is *noisy*, too. She moans and groans nonstop—and it's *so* hot to hear her talk dirty in her Portuguese accent. *BARELY LEGAL #123* is different from other volumes because it has a girl/girl scene. Vanessa Veracruz and Spencer Scott look totally natural swapping spit and pussy juice. Lezzies! Just kidding—it's hot, but I personally prefer watching a petite girl like Madelyn Monroe get all excited about a huge cock. Madelyn's juicy ass jiggles like crazy while she bounces on Alex Gonz, and when he hits the right spot she screams, "YES, RIGHT THERE," like she's calling for help. Teeny Ally Kay is an even bigger peen fiend. She watches Billy Glide's tall-boy boner bust out of his pants and, instead of crying, smiles and goes, "It's as big as my face!" I wouldn't even be able to fit my lips around that monster, but Ally crams the whole thing in her mouth until she's gasping and choking—and she won't stop sucking! Even while they're fucking, she just keeps grabbing his cock and sucking it *again*. She's definitely a BARELY LEGAL girl. They *all* are. Four stars!

To order your copy, please go to page 100.



Vanessa enjoys a Spencer-flavored snack.

Hmm, why does Erica always make us crave marshmallows?

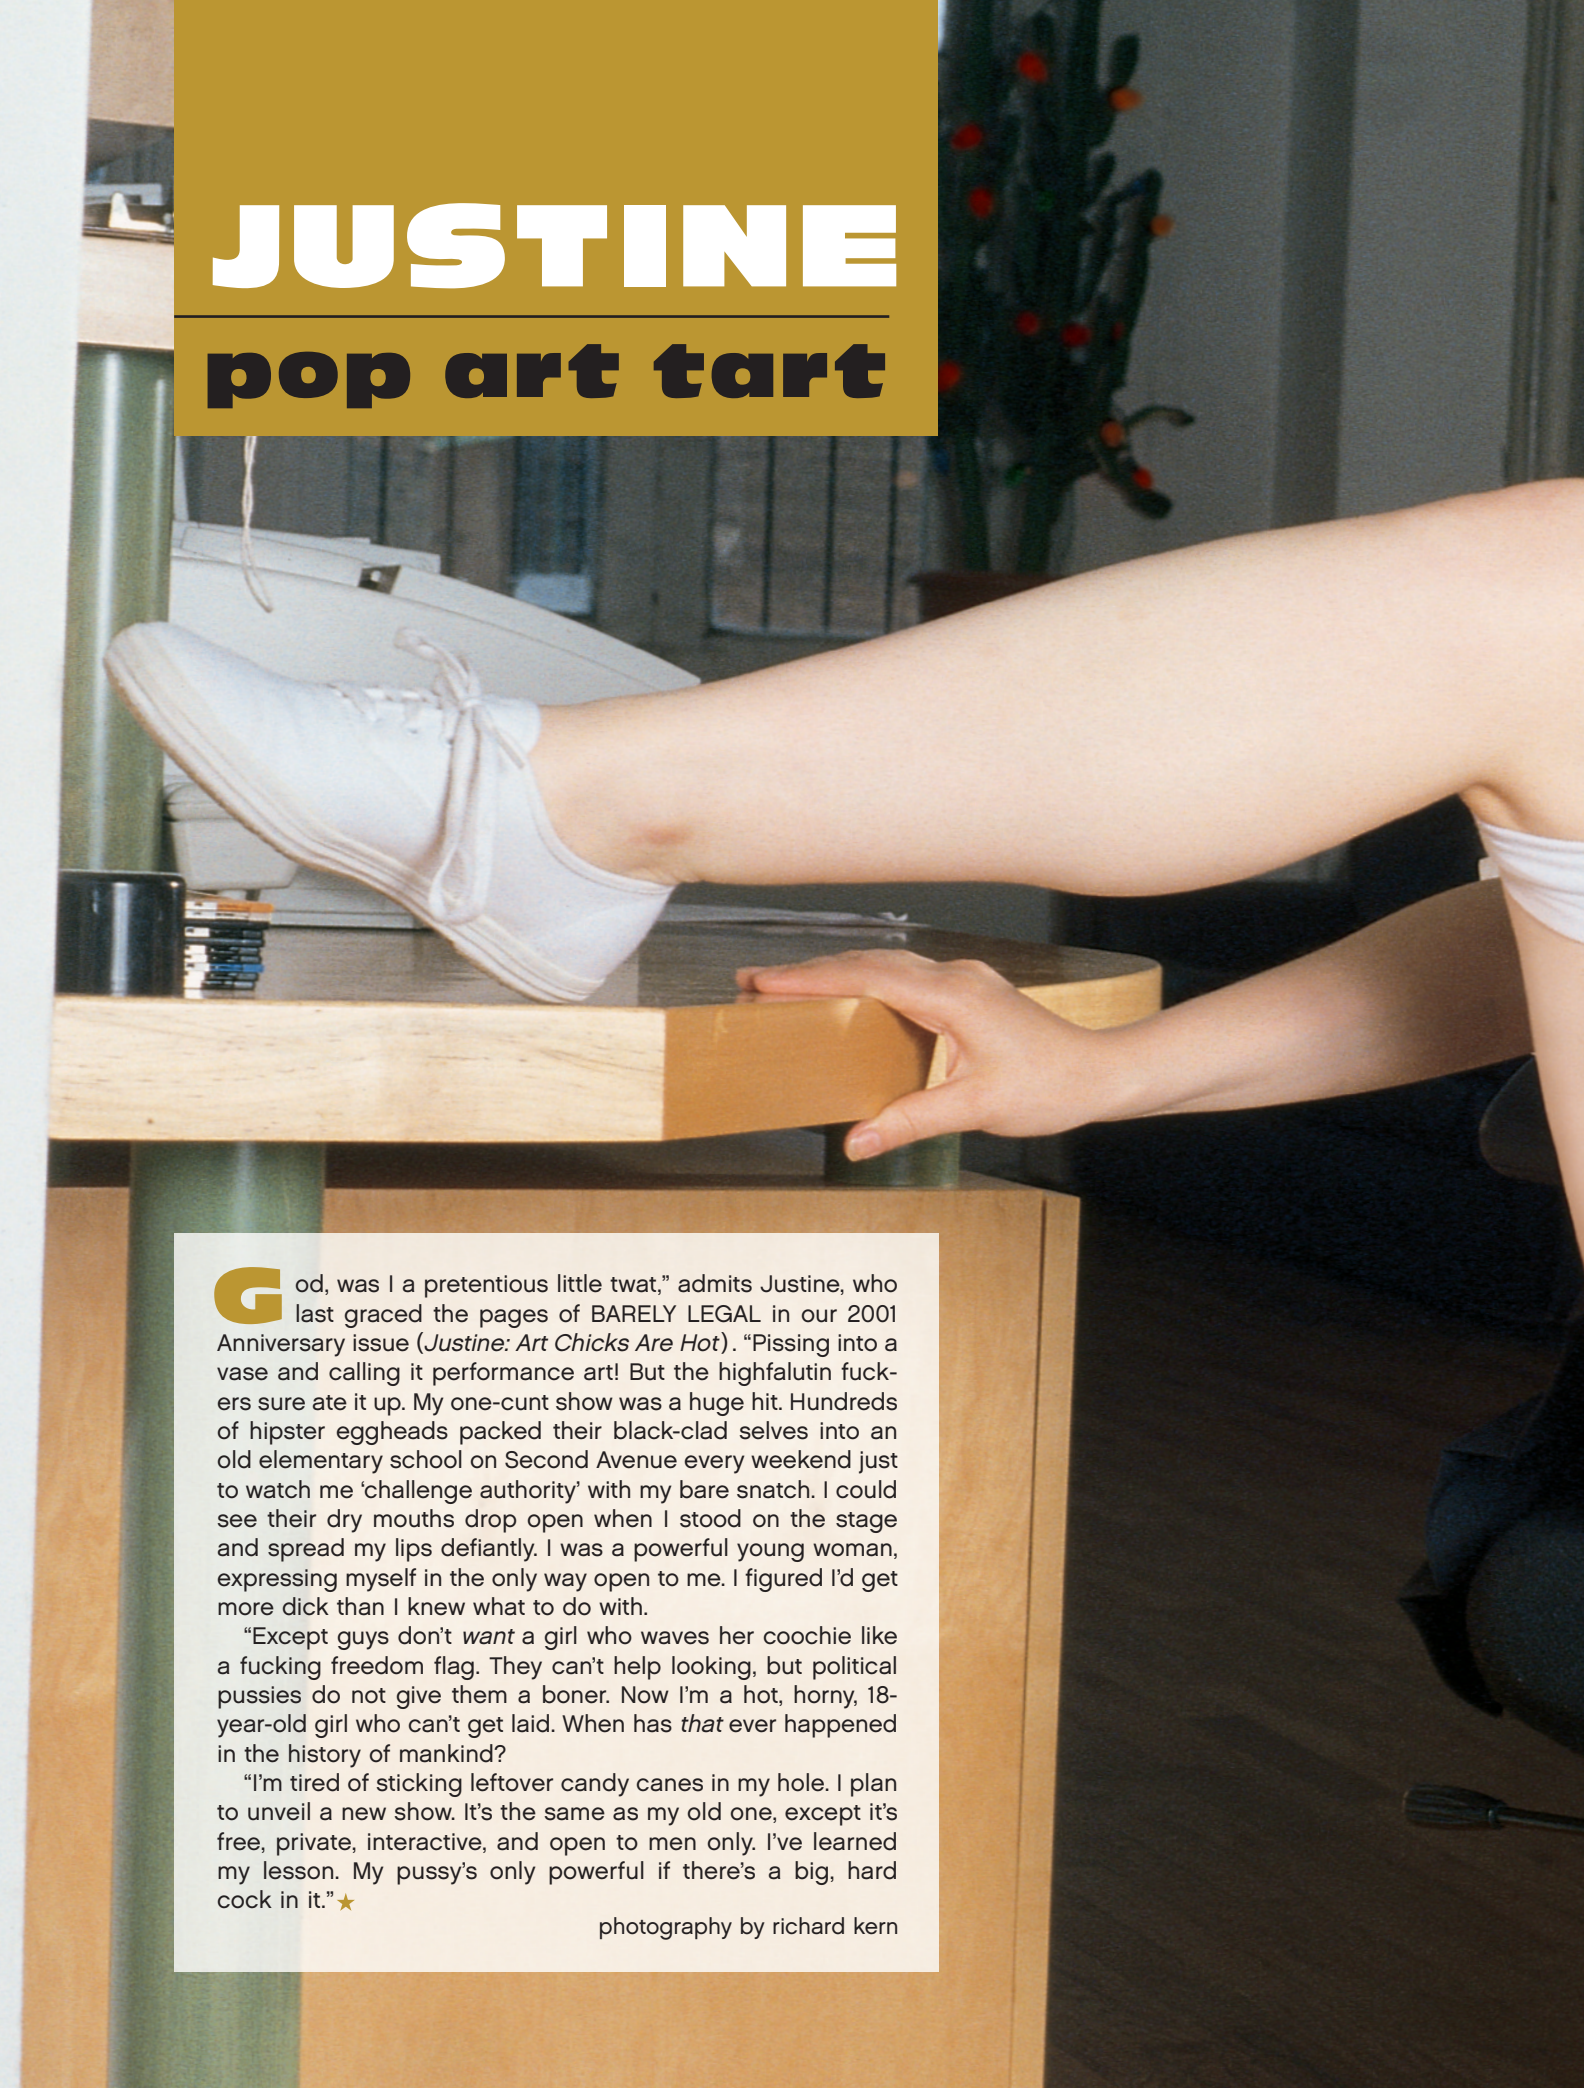
Erica loves to fuck, how you say, dog-style.

Sensi's all, ...98...99...100 one-armed push-ups!

Otto and Sensi can't go on meeting like this.

JUSTINE

pop art tart



God, was I a pretentious little twat," admits Justine, who last graced the pages of BARELY LEGAL in our 2001 Anniversary issue (*Justine: Art Chicks Are Hot*). "Pissing into a vase and calling it performance art! But the highfalutin fuckers sure ate it up. My one-cunt show was a huge hit. Hundreds of hipster eggheads packed their black-clad selves into an old elementary school on Second Avenue every weekend just to watch me 'challenge authority' with my bare snatch. I could see their dry mouths drop open when I stood on the stage and spread my lips defiantly. I was a powerful young woman, expressing myself in the only way open to me. I figured I'd get more dick than I knew what to do with.

"Except guys don't *want* a girl who waves her coochie like a fucking freedom flag. They can't help looking, but political pussies do not give them a boner. Now I'm a hot, horny, 18-year-old girl who can't get laid. When has *that* ever happened in the history of mankind?

"I'm tired of sticking leftover candy canes in my hole. I plan to unveil a new show. It's the same as my old one, except it's free, private, interactive, and open to men only. I've learned my lesson. My pussy's only powerful if there's a big, hard cock in it."★
